

Using Adobe products in the Labs

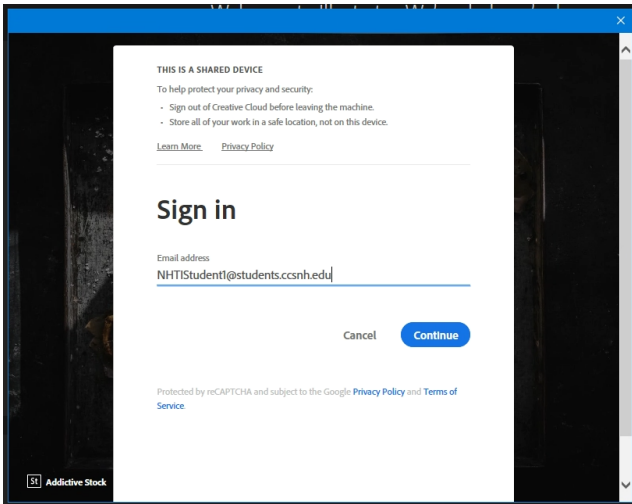

While using Adobe Creative Cloud products in the Lab you will be initially asked to login when you start up the application.

Step-by-step guide

Once in the Lab start up an Adobe CC Product

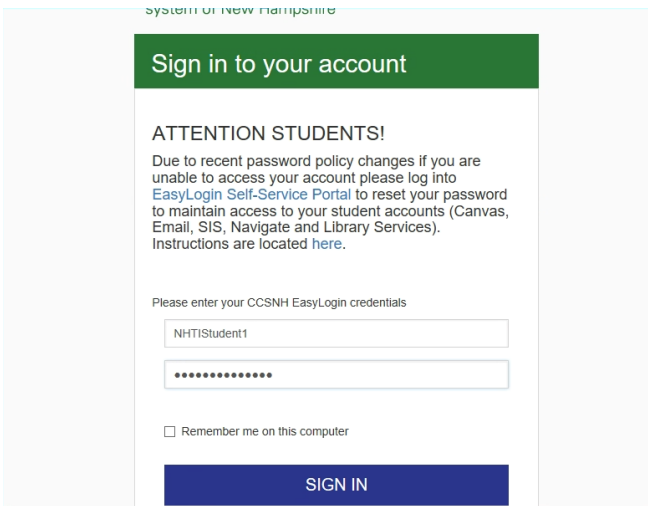

Step 1:

When the product is launched you will see a "Sign in" prompt. Enter your Student or Staff Email and hit "Continue"

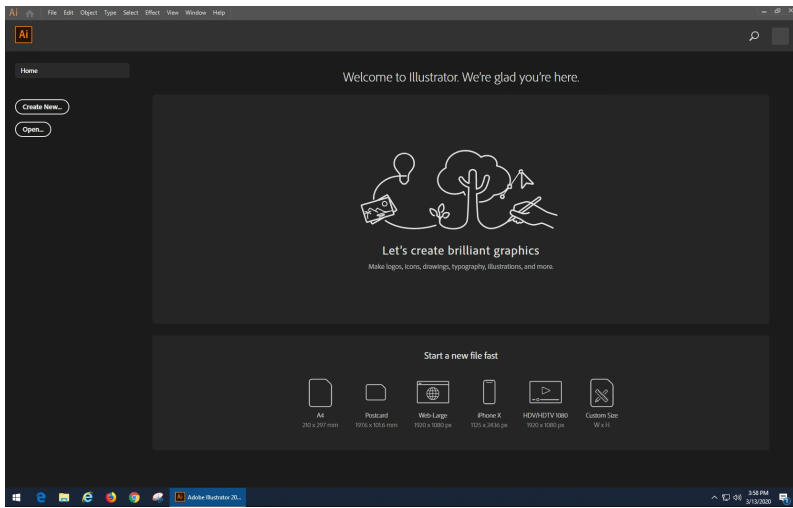

Step 2:

The screen will then redirect to the Easy Login portal. Enter your EasyLogin Credentials and hit "Sign in"

Step 3:

The login dialog will then close and you will be able to use your Adobe Products
